WARNING!!!!!!! CARAVANNING CAN BE HABIT FORMING

How do we sign up for caravans or rallies? When a new caravan or rally is introduced by the Wagonmaster or Rally Leader, a sign-up sheet for that particular caravan or rally is placed on the tables adjacent to the lectern. It will reflect the number of RV's or persons that may participate. If you are interested in a particular caravan or rally, clearly print your name and phone number on the sign-up sheet. Should you later decide not to participate for any reason, please remove or strike through your name ASAP. Each sign-up sheet will also have space for a standby list of others who are also interested. If interested, always put your name on a standby list as based on past history, your chance of going is fair to excellent. The Wagonmaster or Rally Leader will contact each person on the list (standby list will also be called in the order signed, but only as needed) and if you are still interested, you will receive a Caravan – Rally Application. Simply complete and return it to the appropriate Wagonmaster or Rally Leader, along with your deposit, no later than the stated deadline. The application will reflect the amount of money that will not be refunded should you later drop out for any reason and no replacement is found, as well as the deadline for your final payment. Should you miss any deadline, you could be dropped from further consideration (Wagonmaster's & Rally Leader's prerogative) and the first person on the standby list will then be advanced to the active list...

Note: If you have an idea for a Caravan or Rally, give me a call and let's put it together. Remember there is lots of help available. Dick Swortzwl 623-975-9103 dickandnancy@netzero.net.
